

Esteemed Women of Michigan

Dear Friend,

The Dr. Gary Burnstein Community Health Clinic is thrilled to announce the 11th Annual Esteemed Women of Michigan event. We are so proud to host the Esteemed Women of Michigan (EWM) event each year to recognize women of Michigan who have excelled in their profession, risen above intolerable circumstances, developed the means to help others or have become an inspiration to their community. In these unprecedented times, we unfortunately cannot hold our event in person. However, we plan to honor our incredible women with the release of a video presentation of their awards on **September 21, 2020**.

This year's distinguished list of honorees includes: Fay Beydoun, Debra Bonde, Judy DeSteiger, Dr. Kate Gowans, Jennifer Granger, Dr. Corey Gut, Kimberly Hurst, Gina Kell Spehn, Dr. Emily Shwedel Levin, Mona Makki, Jane Sherman, Representative Elissa Slotkin, Shannon Striebich and Dr. Caroline Trapp.

The Dr. Gary Burnstein Health Clinic (GBCHC) is Michigan's largest no-cost medical and dental clinic that is fully funded by community donations. We are dedicated to top-quality healthcare to low-income and uninsured residents of Michigan while ensuring that treatment is received in a caring, compassionate and dignified atmosphere. GBCHC is a 501(c)(3) non-profit organization, which means your donation is tax deductible.

You can help people in our community receive this care **by placing an ad** in this year's program journal. The information in this flyer highlights the ways in which you can get involved and be a part of this amazing event. Sponsorship in the program journal provides a unique stage and audience for an advertisement or honoring one of the incredible Esteemed Women and also provides a means to continue providing valuable healthcare and support to our communities. This year's program journal will be shared digitally with our entire list of supporters, reaching over 3500 people.

We thank you in advance for your support. We hope to see you in person at our Esteemed Women of Michigan event next year.

With much appreciation,

Dana Burnstein and Lori Burnstein Taylor
