

Thank you for supporting the Gary Burnstein Community Health Clinic (GBCHC)

Your gift supports high-quality, compassionate healthcare at no cost to adults who are uninsured with low-income, and will be matched up to \$50,000 by the Peterson Family Foundation until December 31, 2022! Your donation will be used for items such as medical and dental supplies, professional services, equipment maintenance and upgrades, pharmaceuticals, and more that help our patients take charge of their health. Your gift helps them improve their health, find or keep employment, and take care of themselves and their families.

You may make your gift securely online at gbchc.org/donate or use this form.
