

Esteemed Women of Michigan

2023

**A Stay-at-Home
Celebration of the
Extraordinary Women
in Your Life**

Join us in recognizing extraordinary women in your life who are your inspiration, who excel in their professional and personal lives, and are setting examples for future generations.

Your honorees will be listed on our website and on our social media outlets for a full year starting **September 22, 2023.**

A printed program will be available for downloading and sharing.

Benefitting

Dear Friends,

We have decided to put our dinner celebrating the Esteemed Women of Michigan on hiatus for 2023 while we focus on implementing an expansion initiative and building a strategic plan that will help us serve more patients with more services next year and beyond. This doesn't mean we can't celebrate the amazing women who work every day to make our community better.

That's why this year, we invite YOU to honor the Esteemed Women in your life!

Here's how it works. **On September 22, 2023** we will launch a special Esteemed Women of Michigan page on the Gary Burnstein Community Health Care Clinic website along with a social media campaign that honors those you submit for this recognition. (Please see sponsorship opportunities for more information.)

This page will remain on our website for a full year and will feature a program listing that can be printed or downloaded. Sponsors will also have the opportunity to display their logo on the Esteemed Women of Michigan 2023 page.

As always, your generous support will provide vital medical, dental, and pharmacy services free to those who are unable to afford or qualify for insurance. Your gift will help them regain and maintain their health for a better life.

Thank you for supporting this special year of Esteemed Women of Michigan, and for all your continued support.

Dana Burnstein

Lori Taylor Burstein

EWM 2023 Co-Chairs

Esteemed Women of 2023 Sponsorship Levels

Once we have your reservation we will email a form to you to list your honorees. Your honorees will each receive a special card notifying them of your recognition. For more information, contact Paula Brown, Development Director, at pbrown@gbchc.org.

How Your Sponsorship Impacts Lives

Norma knew she had diabetes but did not have money for medicines or doctor visits, so her condition went untreated. Then she noticed she was losing her eyesight. That's when she heard about the Gary Burnstein Community Health Clinic.

Norma made an appointment for an eye exam and a physical. The Gary Burnstein Clinic was able to give her full medical care including free medicines to help manage her diabetes, thanks to the generous support of our donors and volunteers like you. Norma has a new pair of glasses and is now on a regular treatment and monitoring plan to manage her diabetes.

"They saved my sight. I am so grateful," Norma explains.
