

Dear GBCHC Family,

Wow! 2024 was an incredible year of growth at the Gary Burnstein Community Health Clinic. **Thanks to your generosity, we raised \$1.23 million in 2024**, driving substantial progress in providing accessible healthcare to those who need it most.

Here's the difference we made together:

GBCHC 2024 Accomplishments

4,137 completed medical appointments, totaling more than **\$1.7 million** in services, with **100%** of visits fully meeting our high standards of care.

1,910 completed dental appointments, totaling **\$726,935** in services.

\$1.9 million in free and essential medications for patients who would otherwise go without.

Annual Adult Health Examinations was the **top reason for visits again** for the second year in row, reflecting the trust patients place in our clinic for high-quality, compassionate care.

\$10.7 million in health improvements is proof of the

profound impact we are making on our patients' quality of life.

GBCHC Growth

Program Expansion: We provided 1,000 more health appointments than last year, a 23% increase in growth.

Volunteer Power: We doubled our volunteer number from 2023 growing to **600 active volunteers**, providing **18,302 hours** of donated services, equating to over **\$1 million** in value.

Special Event: The Inaugural Dink, Dine, Donate: Dr. Gary's Pickleball Classic was a huge success raising over **\$300,000** for the clinic. Hope to see you there in 2025!

These numbers don't tell the full story. Each number represents a life touched, a family supported, and a community strengthened. Whether you've volunteered, donated, or partnered with us, your contribution has been a key part of our success.

From the bottom of my heart, **THANK YOU** for your commitment, compassion, and support throughout 2024.

Gratefully,

Mary Lewis

Shaping the Future of Clinic Excellence

We are excited to build on the momentum of 2024 and two decades of impact as we kick off the Gary Burnstein Community Health Clinic's 20th Anniversary. For twenty years, we have provided free, high-quality medical, dental, and pharmaceutical care to uninsured patients in our community thanks to your continued support.

As we celebrate this milestone and look to the future, we will continue our commitment to healthcare as we strive to become a national model of clinic excellence by expanding our outreach, enhancing our services, and continuing to champion equitable healthcare access.

We hope you will join us. **Together, we will accomplish great things in 2025 and beyond.**

Promotion **ANNOUNCEMENTS**

Tammy Pendleton has been promoted to *Director of Clinic Operations (DCO)*. As DCO, she will oversee the day-to-day management of clinical services, ensuring efficient operations, high-quality patient care, and alignment with the clinic's strategic goals. In addition to this new leadership role, Tammy will continue to serve as our Pharmacy Director, bringing her expertise and dedication to both positions.

Nick Blackmond has been promoted to *Clinic Quality, Safety, and Continuous Improvement Manager (CQSCIM)*, where he will focus on advancing the quality and safety of our services while driving continuous improvement across the clinic.

Special Thanks to The Jewish Fund 

The Jewish Fund's generous support has transformed our ability to serve the community. In 2024, their investment enabled us to enhance our patient intake process by adding a dedicated specialist, completing *366 intake applications* and *enrolling 18 individuals* in Medicaid. These changes **streamlined care coordination, reduced wait times, and ensured patients received timely, comprehensive care.**

Moving forward, this enhanced model will serve as a blueprint for future expansion efforts, solidifying our commitment to deliver high-quality healthcare to underserved populations. The Jewish Fund's ongoing investment in the clinic underscores a *valued partnership that continues to transform healthcare access and equity.* We are **deeply grateful for their continued commitment** to this vital work.

Updates and Information

Visit GBCHC

Have you ever wondered how you are making a difference? *Come see it firsthand!* Schedule a tour and see how your generosity is transforming lives. Please note the clinic will be closed Monday, January 20th in observance of Martin Luther King Jr. Day. Email Linzie Potts at LPotts@GBCHC.org to get scheduled for a tour.

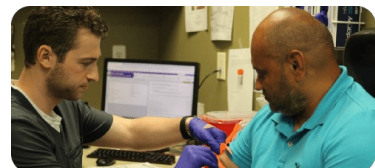

2023 Impact Report

Curious about the impact we have made together in the past? Our 2023 Annual Report is now available and highlights the incredible strides we've taken, thanks to you. **[Click here to read the full report](#)** and see how your support made an impact.

Vaccine Clinics

Vaccine Clinics for COVID-19, flu, and other important vaccines are available during clinic hours Monday, Tuesday, Thursday and Friday from 9 AM-1 PM. Call [248-309-3752](tel:248-309-3752) for more information.

If you or someone you know who is over the age 18 and uninsured is interested in becoming a GBCHC patient, visit us today.
