

from the Gary Burnstein Community Health Clinic (GBCHC), your partner in community health. +

October has a number of health-related issues to be aware of this month:

## National Vision Awareness Month

October is a time to raise awareness of visual impairment, blindness, and eye health. There are a number of health issues that can damage or even cause permanent sight loss, such as glaucoma and macular degeneration. The GBCHC is **committed to improving the eye health of uninsured residents** in Michigan by providing high-quality vision care at no cost. Our optometry clinic offers a *comprehensive range of services* designed to meet the diverse needs of our patients. These services include eye exams, vision correction, glaucoma screenings, cataract surgery referrals and more.

## Breast Cancer Awareness Month

According to the National Breast Cancer Foundation, "In 2024, more than 360,000 people will be diagnosed with breast cancer." When caught early, breast cancer has a very high survival rate. The GBCHC **offers free breast exams and referrals** for free mammograms. All patients who need further care are assisted by a Care Coordinator who will assist them in

applying for low or no cost care. Don't put off your breast screenings. *Early detection saves lives.*

If you or someone you know who is over the age 18 and uninsured is interested in becoming a GBCHC patient, visit us today.

Become a Patient

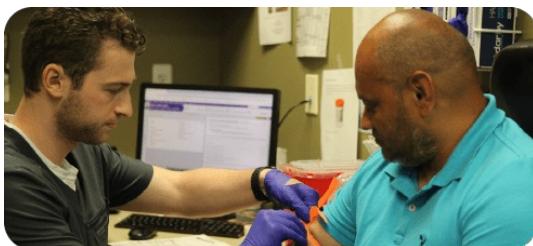

If you would like to support the work of the GBCHC, please [visit our website](#) where you can donate online or learn about other methods of support.

Support Our Work

Please don't hesitate to reach out with any questions or to schedule an appointment.

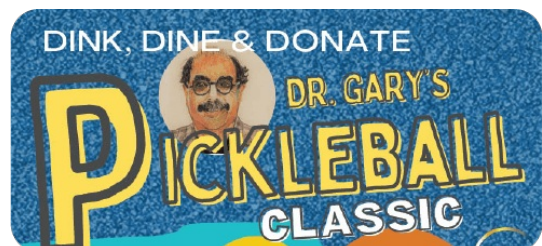

*Sincerely,  
The Gary Burnstein Community Health Clinic Team*

## Updates and Information

### Vaccine Clinics

COVID-19, flu, and other important vaccines are available during clinic hours Monday, Tuesday, Thursday and Friday from 9 AM-1 PM. Call [248-309-3752](tel:248-309-3752) for more information.

### Dr. Gary's Pickleball Classic

We are thrilled to report that our Dr. Gary's Pickleball Classic event on September 26 was a smashing success. **We had over 300 participants and raised over \$300K.** Thank you to our host committee, sponsors, and to Mattick Buick GMC for donating a 2-year lease on a 2024

Buick Enclave for our raffle. All proceeds will go to supporting the work we do to help our community thrive by removing barriers and increasing access to quality healthcare for Michigan residents. Weren't able to attend the Pickleball event but would still like to donate? You can do so [here](#).
